General Tapspace FAQs

Obtaining extra scores for festival or competition.

If your performing ensemble has a festival coming up and you're in need of extra hard copies of the sheet music, we've tried to make it as easy as possible for you.

We now offer Festival Score 3-Packs* for $30 directly from our webstore. The product page will prompt you for the relevant information (title, name of performing group, name of director, and date of performance). Once you complete your order, we will send you 3 festival scores customized with your information. Each score also contains a signed letter of permission stating that the scores were obtained lawfully.

Once the event is finished and the scores are no longer needed, they can simply be recycled.

*Available for Ensembles & Duets only.

NOTE: Photocopying published sheet music is not only unethical…it's also illegal. Please support our efforts to continue putting out top-notch percussion music by purchasing a Festival Score 3-Pack rather than using your photocopying machine. If you have any questions, feel free to contact us .
