

General Tapspace FAQs

Obtaining extra scores for festival or competition.

If your performing ensemble has a festival coming up and you're in need of extra hard copies of the sheet music, we've tried to make it as easy as possible for you.

We now offer [Festival Score 3-Packs](#)* for \$30 directly from our webstore. The [product page](#) will prompt you for the relevant information (title, name of performing group, name of director, and date of performance). Once you complete your order, we will send you 3 festival scores customized with your information. Each score also contains a signed letter of permission stating that the scores were obtained lawfully.

Once the event is finished and the scores are no longer needed, they can simply be recycled.

*Available for Ensembles & Duets only.

NOTE: Photocopying published sheet music is not only unethical...it's also illegal. Please support our efforts to continue putting out top-notch percussion music by purchasing a Festival Score 3-Pack rather than using your photocopying machine. If you have any questions, feel free to [contact us](#).
